Mrs. Amanda Kovaliv was honored by the Boys & Girls Clubs of America as they celebrated Youth of the Year on March 16th. Mrs. Kovaliv was named the Community Champion for her efforts on behalf of the students of WLC. Mrs. Kovaliv has worked tirelessly to establish an Open Cupboard for the students of WLC.

High School Spring Sports started March 20th

Middle School students preparing for trips: 6th grade students will be going to Ferry Beach Science Camp in May and the 7th and 8th grade students will be going to Philadelphia in April.

High School student trip to Washington DC will be held in April.

The Spring Concert was held on Tuesday March 21st. It was a tremendous success. There was a huge turnout of parents and community members supporting the wonderfully talented students from both the Middle School and the High School. Kudo's to Mr. Schneider for the wonderful job that he does.

The Youth Risk Behavior Survey was completed in the High School on Thursday

On March 22nd the Department of Education visited our Middle School as part of the Adequacy and School Approval Process. The visiting team met with teachers, students, the Director of Technology, parents, a school board member, and administration. Following the four hour visit the visiting team met with Mrs. Ballou and me to discuss the results of the visit. They had nothing but glowing remarks to say about our school. From the culture in the school, to curriculum, to assessments, to test scores trending up over the past three years, the visiting team was thoroughly impressed with it all. I want to thank all our middle school teachers for the great job they do each and every day. I want to specifically mention and thank the MS DOE team that spent a lot of time meeting and gathering information for the visit.
