WLC Principal Report
December 6, 2016

Specialist Michael Dupont, Specialist Marc Belanger, Petty Officer 2nd Class Matt Barsaleau and Sargent William Hickerson III were recognized for their service to our country on Veteran's Day.

WLC COOP School Spirit Store, which is located on the school website, is now officially open. Warrior Gear is back!

We are entering the second year of a three year plan to review and rewrite the High School Program of Studies. The leadership team continues to lead departments on this review and will be implementing new course offerings that reflect the differing needs of all students. Students will have opportunities to earn college credit while still earning HS graduation requirements. These classes offer a cost-effective way to earn college credit. The leadership team is also planning to add more project based hands on classes.

This year's Heritage Tour for 7th and 8th graders will travel to Philadelphia, Gettysburg, and Lancaster PA Thursday April 20th - Sunday, April 23rd. There was a Registration Opportunity and Information Meeting for Parents on Monday November 21, 2016. The deadline to register for this trip is December 1st.

As part of "College is Possible Month", James and Kimberly Edmunds, WLC Class of 2014, returned to WLC to share their college experiences with our current students. Both James and Kimberly attend Plymouth State University. They answered questions about college life, transitioning from a small school to a larger community, how to balance academics and activities, and the importance of having strong grades in high school to open opportunities at the college level.

Michael Dupont, Social Studies teacher at WLC, was chosen as a James Madison Fellow in 2016. This fellowship is given to one person from each state. Mr. Dupont was chosen because he demonstrates a commitment to civic responsibilities and to professional and collegial activities and is pursuing graduate studies to further his work teaching American history and American government.

The Junior Class is holding a Yankee Candle Fundraiser through January 11th. To help with this fundraiser, go to www.yankeecandlefundraising.com and enter group code number 990003746. Then shop for catalog items and online exclusives. The Class of 2018 receives 40% of every sale! Thank you for your support!

Respectfully,

Brian Bagley
