WLC Principal Report

February 7, 2017

Essay and Speech Contests for Juniors and Seniors: WLC Juniors and Seniors are invited to write a 500 word essay for the annual NEACAC essay contest for all NEACAC- member high schools. There will be six winners, one from each of the New England States, who will each be awarded a \$1000 Scholarship. The application for the Essay Contest for 2017 will open on February 1, 2017 and be available through April 8, 2017. Students are asked to describe a counselor, teacher, or coach who has had the greatest influence on their decision to attend college. How has this individual impacted your future? What will you do in college or beyond that will make a difference in your community?

Step-Up Night for 8th grade students will be held Wednesday February 8th at 6:00.

Arena scheduling will be held March 24th. It's time for students to start thinking about their course selections for next year.

Detective Matt Fleming, Bedford Police Dept. did a presentation to the middle school students about Internet safety. Currently he is employed by the Bedford New Hampshire Police Department and is assigned to the Detective Division as a forensic interviewer and is responsible for the investigation into all sex related crimes. Students learned about the dangers that teens face every day. The discussion centered on computers, cell phones, iPads, digital cameras, gaming systems, social networking applications, and internet blogs. Each play a role in placing students and families at risk. This one hour presentation was specifically geared towards students and how they can better understand the technology available today and the way in which child predators use it to exploit them.

Plans are underway for the 2nd Annual Souhegan Sustainability Fair Wilton, NH. The Wilton Conservation Commission and the Wilton Energy Committee, will host schools from the Souhegan River Watershed April 22nd, Earth Day, at the WLC from 10AM- 4PM. This free family-friendly fair features presentations, workshops, demos, exhibits, music and food. The goal is to help citizens learn, celebrate, and act on issues and topics socially and environmentally.

On May 16th from 6:00pm- 8:00pm WLC MS/HS will be hosting the third annual, "Learning Celebration." This Celebration will be open to the public. Classrooms will be filled with students and teachers engaged in STEAM activities. Senior Projects will also be on display. Our goal for this night is to share this new approach to education with parents, community members, local business leaders, arts professionals, educators, and others who play an important role in the Wilton Lyndeborough Community. Please mark this date on your calendar and join us as we celebrate this new project- based way of teaching and learning.

Respectfully,
Brian Bagley

The Wilton-Lyndeborough Cooperative School District does not discriminate on the basis of race, color, religion, national origin, age, sex, handicap, veteran status, sexual orientation, gender identity or marital status in its administration of educational programs, activities or employment practice.

"WLC will strive to be a positive learning community that ensures each student has the opportunity to develop to his or her potential."
