NH State Colleges Information Sessions Coming Soon:

The four public campuses of the University System of New Hampshire (Keene State College, Plymouth State University, Granite State College and the University of New Hampshire) are offering four "Information Nights" across the Granite State:

Informational Night Dates and Locations:

Tuesday, March 29th - Manchester, Radisson Hotel
Wednesday, April 6th - Nashua, Crowne Plaza Hotel
Tuesday, April 12th - Keene, Keene State College
Tuesday, April 19th - Durham, University of New Hampshire

Science Olympiad: Several WLC students competed in the NH Science Olympiad in Mid-March. Joe Marcinuk and Jack Bickerton finished in 9th place in the Wind Power Competition, Brigid Popores placed 18th in the Cell Biology Competition and Nora Marcinuk and Morgan Anderson placed 19th in the Forensic Science Competition.

On Friday, March 25th, Paul Picard from the Universal Technical Institute visited WLC and worked with WLC students on STEM activities in the Physical Science and Physics classes.

Destination Imagination: The "Pace of Change" high school team which includes Nora and Joe Marcinuk, Morgan Murphy, Kendahl Rae, and Sydney Rose will be going to States for their

advanced hovercraft solution to the challenge of designing and building a vehicle able to carry at least one team member multiple times. Our “Fine Arts” high school team which includes Danya Bell, Rachel Christino, Shannon Hussey, Emma Krug, Jack Reid, and Emma Skelly brought ‘80s disco to life, placing fourth in their challenge. And the hysterically funny middle school “Improv” team of Ella Blanchard, Kiley Durso, Lily Gendron, Natalie Houston, and Mishell Pfeil cracked up the appraisers to come in second place.

On May 12th from 6:00pm- 8:00pm WLC MS/HS will be hosting the second annual, “Learning Celebration.” This Celebration will be open to the public. Classrooms will be filled with students and teachers engaged in STEAM activities. Senior Projects will also be on display. Our goal for this night is to share this new approach to education with parents, community members, local business leaders, arts professionals, educators, and others who play an important role in the Wilton Lyndeborough Community. Please mark this date on your calendar and join us as we celebrate this new project- based way of teaching and learning.

Field Maintenance Update

We are in the process of setting up interviews with the companies who have submitted bids to take care of the fields for this spring and fall. Our former field maintenance person resigned in early March. We are hoping to have someone in place next week so they can begin the work necessary to get the baseball and softball fields ready for games the week of April 11th.

Winter Sports Wrap-up

The girl's varsity basketball team lost in the first round of the playoffs to Woodsville. The boy's varsity basketball team won their first round game against Gorham before also losing to Woodsville in the 2nd round

Respectfully submitted, Brian Bagley
